## School Tuition Fees and Levies for 2023

**Dear Parents & Caregivers,**

Playford College has approved a responsible budget for 2023. We are pleased that tenders have been sought to build stage 3+4 of the Secondary School, a new two storey building which will be named after Imam Ali (a.s) to compliment the very popular Prophet Muhammad (PBUH) Building. This new project which will commence in 2023 will benefit all Playford College students and their families in their educational journey. Their school fees paid make these improvements possible. The 2023 Tuition Fees and Charges are listed below.

#### ➤ Full Fee Payment

An additional 5% discount applies to full payment of all fees (Tuition, Stationery, Camps/excursion, CT Levy) by 31<sup>st</sup> March 2023.

### Other Fees:

#### ➤ Year 7 Canberra Trip

Year 7 levy of \$ 1000.00 for Canberra trip is billed separately if the trip occurs.

#### ➤ Application Fee

An \$80 application fee is to be paid with every new enrolment application. This is a non-refundable fee.

➤ **Year 11/12 Workbooks and Subjects / Courses offered outside of Playford College**

Year 11/12 workbook fees will be charged separately. Similarly, any course / subject which is not offered by Playford College, but is arranged elsewhere by the College, the cost of the course will be charged to the student account.

➤ **Building and Infrastructure Fee**

A compulsory, non-refundable, building levy of \$200 per student is charged, with every new enrolment application. This stops at a maximum of \$550 per family. This levy is to provide the funds necessary to maintain and improve Playford College's buildings and facilities.

➤ **Withdrawing/ Exiting Students**

If a student is being withdrawn from the College, one term's written notice to the principal is required. Failure to provide a full term's notice may result in one term's tuition fee (quarter of annual tuition fee) being charged in lieu of notice.

➤ **Penalties**

Accounts not paid by agreed payment arrangements are then in default and become due and payable by the end of the month in full. The Playford College reserves the right to terminate an enrolment when an account remains in continual default. However, such a termination process will normally take place only after negotiations have ceased or where there is no cooperation from parents/caregivers/guardians in respect to the payment of the outstanding account. Parents will be charged replacement cost of lost/damaged College property and resources.

➤ **Parents must nominate either EFTPOS, Centrepay or Direct Debit payment arrangements. Direct Debit is preferred by the College.**

Thank you.
