Bus Service Fee Conditions

Full-Term Charging Policy

Bus fees are charged on a full-term basis, regardless of student attendance. This includes periods when the student is sick, on leave, overseas, or otherwise absent from school. Temporary absences do not result in any reduction, refund, or suspension of bus fees.

Discontinuation of Bus Service

Parents wishing to discontinue the bus service must provide a full-term written notice in advance. Failure to do so will result in continued billing for the subsequent term.

Re-enrolment Not Guaranteed

Once the bus service is discontinued, re-enrolment is not guaranteed, as the seat may be allocated to another student on the waiting list. If re-enrolment is desired at a later date, it will be subject to availability at that time.
